## Tables

Table 1. Participant Characteristics

| <b>Participant characteristics</b> | <b>n</b> |
|------------------------------------|----------|
| <i>Recruitment source</i>          |          |
| Facebook                           | 9        |
| Growlr                             | 12       |
| Scruff                             | 3        |
| Unknown                            | 1        |
| <i>Age</i>                         |          |
| 20-29                              | 8        |
| 30-39                              | 10       |
| 40-49                              | 4        |
| 50 and over                        | 3        |
| <i>Ethnicity</i>                   |          |
| Asian British                      | 1        |
| Mixed race British                 | 1        |
| White British                      | 19       |
| White Irish                        | 1        |
| White Other                        | 3        |
| <i>Current residence</i>           |          |
| South West of England Bristol      | 13       |
| South East of England              | 5        |
| North West of England              | 6        |
| North East of England              | 1        |
| <i>Highest level of education</i>  |          |
| GCSE's                             | 1        |
| A level                            | 2        |
| First degree                       | 10       |
| Higher degree (MSc, PhD)           | 12       |
| <i>Gender</i>                      |          |
| Male/cisgender male                | 23       |
| Transgender masculine /            | 1        |
| Transgender queer                  | 1        |
| <i>Employment status</i>           |          |
| Unemployed                         | 4        |
| Retired                            | 1        |
| Student                            | 4        |
| Self-employed                      | 2        |
| Part-time employed                 | 1        |
| Full-time employed                 | 12       |
